

Omkar Industries (vadodara)

<https://www.omkarpaints.com/>

We, Omkar Industries, are engaged in Manufacturing a wide range of Industrial Paint, Industrial Primer and Epoxy Coal Tar and much more.

About Us

Established in the year **1975** we, **Omkar Industries**, are engaged in **Manufacturing** a wide range of **Industrial Paint, Industrial Primer and Epoxy Coal Tar and much more**. This range is appreciated by clients for brilliant adhesion properties and capability to prevent varied surfaces from being corroded. Using latest techniques, we offer our range in accordance with client's specification. Our each product is strictly tested by our trained professionals to ensure the flow of only premium quality products from our organization. Further, we have a qualified team of R&D personnel, who perfectly utilize the available resources to reduce the production cost and improve the existing range of products. Under the able guidance of our promoter, **Mr. Urvesh Shah**, we have established a strong foothold in the market. His vast industry experience and in-depth knowledge have helped us in securing the huge base of clients all over India.
